5.4.1: The Alumni Association is registered and holds regular meetings to plan its involvement and developmental activities with the support of the college during the last five years.

The institute's Alumni Association was officially registered in November 2021. The association is established with the purpose of achieving the following objectives:

1. Progression of students, faculty, and non-teaching personnel.
2. To provide a forum for engagement and collaboration among all graduates and alumni.
3. To provide a platform for engagement among former and current students, as well as current and former teaching and non-teaching personnel.
4. To provide a platform for the graduates to demonstrate their advancements.

In order to achieve the aforementioned goals, the association carries out the following activities:

1. Organises alumni reunions on a yearly basis.
2. Arranges seminars and conferences for the alumni.
3. Provides a scholarship based on both financial need and academic merit.
4. Organises campus recruitment events.
5. Extends invitations to graduates to participate in the orientation of new students, serve as judges for different events, and conduct sessions for current students.

The Executive committee comprises the President, Vice President, Co-coordinator, Secretary, Joint Secretary, Treasurer, and three members. The Executive members convene biannually to strategize and coordinate the year's activities. They meticulously develop and approve the budget, which is then audited and communicated to all members. An annual General Body Meeting is convened to

provide updates, strategize, and garner alumni support for different programmes. The institution guarantees the organisation of at least one Grand Alumni reunion including all the institutes of Somaiya, as well as one reunion specifically at the institute level. The alumni committee offers financial assistance to students based on their needs via the provision of scholarships. Our alumni make contributions to the institution by donating books, sports equipment, and stationery. Alumni's scholarly contributions: Lecture on professional prospects in the field of nursing Interview preparation for job postings Expert discussions Exchanging knowledge and personal insights The alumni association is a dynamic organisation that is making vigorous efforts to enhance the alumni's contribution to their alma mater.
